

The Strength of Codesign: Citizens as Community Builders

Photo of Hammarkullen: Albin Holmgren

InContext Final Conference & Informed Cities Forum
Berlin 6-7 June 2013

»The interplay between citizen initiatives
and invited participation in urban planning:
An interaction research project«

Project leader:
Jenny Stenberg
Associate Professor
Chalmers Architecture
Gothenburg Sweden
jenny.stenberg@chalmers.se

»For those who only have a hammer in the
toolbox, every problem looks like a nail.«
(Abraham Maslow)
